

Constitutional Government

"We, the people are the rightful masters of both Congress and the courts — not to overthrow the Constitution, but to overthrow men who pervert the Constitution." - Abraham Lincoln

Over the course of time, men have perverted the Constitution. Giving themselves the right to infringe upon areas of our life that the state has authority in. The Constitution Party calls for the federal government to divest itself of operations not authorized by the Constitution. We call upon Congress to extract the federal government from enterprises which compete with private free enterprise.
